A Significant New Study

by Professor Gordon E. Kershaw

"Gentlemen of Large Property & Judicious Men"

THE KENNEBECK PROPRIETORS

1749-1775

Published in collaboration with the
New Hampshire Publishing Company

"In this fascinating book, Gordon E. Kershaw explores in detail one of the main agencies of the northeastward push of New England settlement in the eighteenth century. For the first time, a writer has now looked closely at the grand men of these New England land companies and chronicled their colorful collective enterprise from birth to death. The result is an immense contribution to our understanding of colonial and Revolutionary northern New England."
