MAINE POSTAL HISTORY AND POSTMARKS

Sterling T. Dow

Although three decades have passed since the original publication of *Maine Postal History and Postmarks*, it remains the definitive work providing a study of Maine postal history from its earliest days with coverage of the early post office during the British administration, the Continental Congress and the federal period. All areas of postmarks (ovals, cross-border, fancy, etc.) are covered in depth with over 200 postmarks illustrated by line drawings and halftones and 19 covers illustrated. The last section contains the list of Maine post offices, over 2100, that have existed, or are supposed to have existed — a list seemingly unavailable elsewhere. Included in this 256-page hardcover volume are reprints of five other articles by Dow, Arthur Hecht, Paul Hannemann, and David L. Jarrett written since the publication of the original work. A new foreword by Joseph F. Antizzo has been added to the Quarterman edition along with photographs of 19 covers not contained in the original work. This work is a necessity for collectors, postal history students, and those interested in Colonial and Maine history.
