

THE SOCIETY

In an effort to cope with the financial burdens imposed by the continuing inflationary spiral, the Standing Committee has reluctantly voted to institute the following dues structure for membership in the Society:

Sustaining	30.00
Family	25.00
Corporate	50.00
Student	7.50
Life	250.00

In addition, the Library use fee for non-members has been increased from \$1.00 to \$2.00, and admissions to the Wadsworth-Longfellow House have also been increased for the forthcoming season. The new admissions schedule is as follows:

Adults	\$2.00
Children (under 16)	1.00
Families	5.00
Student Tours	.25

Members of the Society continue to have free access to the Wadsworth-Longfellow House.

In commemoration of the 200th anniversary of the famous Penobscot Expedition of 1779, the 157th Annual Meeting of the Maine Historical Society will be held in Castine at the Maine Maritime Academy on Saturday, June 16th. Following the business meeting and luncheon, Steven Brooke, chief conservator of the Maine State

Museum, will present a slide lecture focusing on the restoration of the artifacts salvaged in recent years from the wreck of the *Defence*, one of the expedition's armed privateers. More detailed information will be provided at a later date, but, in the meantime, please mark your calendars.
